

STAR PROGRAM

Down Syndrome Association of Acadiana is honoring teachers, paraprofessionals, therapists, nurses, and service providers who enrich the lives of our members with Down syndrome through our **STAR Program**. These individuals work throughout the year helping our children learn their way, at their pace and in a way that benefits them as individuals, helping them to become self-sufficient, as well as helping them enjoy all social aspects of life. The STAR recipient will receive a basket full of love from DSAA !

To be eligible to receive this award, the nominee must be someone who enriches the life of a DSAA member. To nominate a person for the STAR program, please complete the form below and return it to DSAA either by email:
